

All fuselage frames
from 1/16" square

Flying Aces Moth Embryo

Original design & drawing by H. Spatz.
Scanned & traced to CAD from original
magazine plan by Garry T Hunter.
Scaled to Embryo size by Derek Buckmaster

Wing Area: 50 sq in
 Fuselage modified to give 30 degrees
 slant on windscreen.
 Add wheel pants and 3-dimensional
 exhausts for maximum bonus points.
